

1. Overview & Key Benefits

- **No dedicated radio equipment:** Guides do not need to carry, prepare, distribute, collect, charge, or maintain hardware radio receivers.
- **No app required for visitors:** Guests do not download any app or create an account; guests use their own smartphone web browser.
- **No monthly subscription:** Pay-per-tour credit system with no expiration date (1 credit = 1 live tour room).

2. Step-by-Step Guide for Tour Guides

01

Buy tour credits

Choose the package that fits your tours. Each credit starts 1 live tour room. Credits never expire.

02

Start your tour room

Sign in with Google and start broadcasting live audio from your smartphone microphone (uses 1 credit).

03

Connect your guests

Display the generated QR code or share the direct link. Guests use their phones to scan or tap to join instantly.

04

Guide normally

Speak into your phone mic naturally. Guests receive live commentary with low latency and echo cancellation. Guests use their own headphones or earbuds if preferred.

3. Credit Packages & Pricing

Package	Credits Included	Total Price (USD)	Savings / Price Per Tour
Starter	5 Credits	\$5.00	\$1.00 / tour
Basic	10 Credits	\$9.00	Save 10% (\$0.90/tour)
Popular	25 Credits	\$20.00	Save 20% (\$0.80/tour)
Value	50 Credits	\$35.00	Save 30% (\$0.70/tour)
Pro	100 Credits	\$60.00	Save 40% (\$0.60/tour)

4. Technical Specifications & Key Features

- **WebRTC Live Streaming:** High-clarity live audio with low latency, echo cancellation, and STUN/TURN fallback for maximum reliability.
- **Real-time Listener Counter:** Instant live listener count during the tour and session history logging.
- **100% Mobile Experience:** Guests use their own smartphones without downloading apps or creating accounts.
